

MES Family Update June 10, 2021

Good afternoon MES Families,

We hope that your week is going well and that you fared as well as possible with the heat earlier in the week.

A number of things for you today:

\*There are two documents on the left hand side of the MES website (links are below as well). The first document is the *2021-2022 MES Reopen Plan* and the second document is the *ARP Grant - Marlborough Public School Proposed Use of: ESSER Funds*. Please feel free to send along feedback on either or both of the documents to us via email - with a deadline of tomorrow, Friday, June 11

\*PTO APEX Fundraiser - we and the MES PTO would like to express our thanks to everyone for their assistance with the recently completed APEX fundraiser. While the exact total is still being determined, it looks as though the PTO has made a profit of approximately \$16,000. The PTO is hoping that traditional events can resume next year - and without entry fees for families. Events like Trunk or Treat and Movie Night would be free of charge. The PTO will also assist the school - as soon as we are able - with the cost of field trip transportation and educational enhancements. The PTO will be assisting with costs for the upcoming Grade 6 Outdoor Fun Day next week. Thanks again to everyone for your very generous support.

\*On the website - left hand side - you will find information on *Summer Reading, Math, Science and Social Studies Challenges*, as well as the *Summer of Me Challenge*. We encourage students to take part in as many of the challenges as they would like this summer.

\*The School Supply Kit ordering deadline is quickly approaching. There will be no order extension past July 1st. Any family who has ordered a kit will be entered into the 1st Day School Supplies sweepstakes to win \$500 worth of supplies, shirts and backpacks.

\*New Fliers:

- Community Section - RHAM Youth Soccer - Fall 2021
- Community Section - RHAM Youth Soccer - Summer Challenger Camp

\*Upcoming events:

- June 11 - Science Day/Egg Drop
