

MES Family Update – December 28, 2020

Good afternoon MES families,

We hope that your break is off to a good start. We are looking forward to seeing everyone back in the building on Monday, January 4th.

We are reaching out to let you know that we have two positive cases of COVID-19 for members of our school community. We have reached out to Chatham Health and their Director for guidance. He has shared which groups need to quarantine based on the information we have at this time. Your family would have been contacted directly if your child was a 'close contact' and needed to be quarantined.

We appreciate everyone's efforts in keeping our school community safe in these challenging times.

Should you have any questions at this point in time, please feel free to reach out via email (dwhite@marlborough.k12.ct.us and kkelley@marlborough.k12.ct.us).

Take care,

Dan & Kim
