

MES Family Update – February 25, 2021

Good afternoon MES Families,

We hope that your week is going well. We are very happy to have had a full week of school to this point.

A few things for you today:

*With the snow melting and the mud starting, it would be helpful if students had an extra set of weather appropriate clothes here at school - especially in the younger grades.

*We are asking for students to be as careful as possible with the battery charging and headphone jack ports on their devices. A damaged charger costs around \$40.00 to replace and a headphone jack that snaps off in the device is almost impossible to get out.

*We apologize for any issues you've run into with the online spelling program. Learning A > Z purchased and merged with Spelling City - creating Vocab A > Z. Their merger has not gone as seamlessly as they had hoped and it is causing many issues for teacher accounts. We are working on getting a resolution as soon as possible.

*There are a number of new fliers on the school website - many of them in the Community Section of New Fliers. You'll find fliers for:

- RHAM Youth Lacrosse and RHAM Youth Girls Lacrosse
- AHM & Playhouse Theatre Academy
- AHM Happenings - February > March
- RHAM Youth Baseball Registration
- Marlborough Lions Club Kayak Raffle
- Marlborough Lions Club 'Round the Lake 5K'

*A reminder that Kindergarten Registration is scheduled for next week on Wednesday and Thursday. If you haven't received any information and you have an incoming Kindergarten student - or know someone who does and hasn't received information - please call the school office.

*Next week - March 1-5 - we will be celebrating Read Across America week. The flier recognizing a number of author's birthdays and the activity for each day can be found using the following link:

<https://www.marlborough.k12.ct.us/site/handlers/filedownload.ashx?moduleinstanceid=99&dataid=6906&FileName=RAA%20Week%202021.pdf>

We hope everyone has a terrific Friday and a nice weekend.

Take care,

Dan & Kim
