

MES Family Update – July 1, 2021

Good afternoon MES Families,

Happy July!

We hope everyone is having a good start to summer. The thunderstorms and then abundant fireflies as the storms departed last night made for a classic summer night.

This morning we received information on the Connecticut Summer at the Museum program. Starting today, July 1st:

Under the finalized program, from July 1 to September 6, 2021, all Connecticut children age 18 and under – plus one accompanying adult – will receive free admission to any of the participating museums, including historic house museums, historic sites, historical societies, art museums, children’s museums, science centers, special-interest museums, natural history museums, university museums, arboretums/botanical gardens, and zoos.

A full list of participating museums is available at:

<https://www.ctvisit.com/articles/connecticut-summer-museum-free-admission-kids>

Today is Dr. Holly Hageman's first day in Marlborough, our new superintendent. We are excited for her to join our Marlborough Family. Dr. Hageman sent out an introductory letter yesterday - which you should have received through Blackboard email.

If families are interested in some summer virtual story times - please let us know. Stories on summer nights would be fun.

We hope everyone has a terrific long weekend. As the summer progresses, we will be sure to keep our families updated on happenings at school.

Dan & Kim
