

MES Family Update – July 22, 2021

Good afternoon MES Families,

We hope that your week is going well. It's hard to believe that students have been out of school for a little over a month at this point in time.

A few things for you this week:

*The Custodial and Office Staffs are working away at getting the building ready for the upcoming school year. The transition from wrapping up a school year to getting ready for the next one happens very quickly in the summer.

*We were pleased to see a number of families join us for this week's Virtual Story Time. We will plan on reading again next Wednesday, July 28 at 6:00 p.m. We do take book requests - so feel free to email them to us. The Zoom link for next week's Story Time is below:

*As we continue to prep for the upcoming school year, we always update our technology devices. We have noticed we are missing quite a few Chromebook chargers. Should you find one of the school's chargers lying around, please drop it off at school whenever you get a chance.

*Work continues on the reopening plan for the 2021-2022 school year. We are looking for a return to normalcy as much as possible. As plans become solidified, we will share with you what they look like.

Have a nice night, a terrific Friday and a great weekend.

Dan & Kim
