

**MES Family Update August 12, 2021**

**Good afternoon MES Families,**

**Hoping that your week is going well and that you are surviving the new found summer weather.**

**A few things for you this week:**

**\*Thanks to all of the families that were able to join us last night for the Virtual Story Time - it was our biggest group yet. We will have two more Virtual Story Times this summer. The link to join us next Wednesday, 8/18 and Wednesday, 8/25 is below:**

**\*All families should have received a Blackboard email this afternoon from Dr. Hageman regarding reopening. Please be sure to check your email for the correspondence.**

**\*We continue to look to firm up the plans to start off the school year. We do know that this year we will be hosting our traditional Meet & Greet event. Meet & Greet is an opportunity for all students and their families to visit school before the first student day. Meet & Greet will Tuesday, August 31st from 8:15-9:15 a.m. Feel free to stop by at any time during the hour long Meet & Greet. All students, staff, family members and other visitors will be required to wear masks per the Governor's current Executive Order 13A. If anything changes, we will reach out to everyone.**

**\*We will begin the process of opening the building to outside groups as we start the school year. We will reach out to all of the outside groups to ask them for their COVID-19 protocols should there be a situation where anyone involved in an activity tests positive for COVID-19 or is considered a close contact. It will be nice to be able to provide space for Marlborough residents to take advantage of the wide variety of activities that have traditionally been offered.**

**We hope you have a terrific end of the week and a nice weekend.**
