

COVID Positive Case - November 17, 2020

Good evening MES families,

We are reaching out to let you know that we have a positive case of COVID-19 for a member of our school community today - Tuesday, November 17. We have reached out to Chatham Health and their Director for guidance. He has shared with us which individuals/groups need to quarantine based on the information we have provided. Your family would have been contacted directly if your child was a 'close contact' and needed to be quarantined.

As always, please feel free to reach out to us if you have any specific questions that we might be able to answer for you.

Enjoy the rest of your evening.

Dan & Kim
