

Potential COVID case - October 28, 2020

Good evening MES families,

We are reaching out to let you know that we have a presumptive case of COVID-19 for a member of our school community. We have reached out to Chatham Health and their Director for guidance. He has shared which groups need to quarantine based on the information we have at this time. Your family would have been contacted directly if your child was a 'close contact' and needed to be quarantined.

We will be sending out an informational letter tomorrow via Blackboard - with a text message letting you know when the letter is coming out. As always, please feel free to reach out to us after you have had a chance to take a look at the information provided.

Dan & Kim
