

MES Family Update - October 29

Good evening MES Families,

We'd like to thank everyone for their patience and understanding as we worked through our protocol with the presumptive COVID case yesterday afternoon/evening. As we've covered pretty much everything we could share with last night's email, we didn't see the need to follow-up with any additional information today. Again, all potential close contacts were contacted directly by either of us or Nurse Mecca. Should you have any questions, please do not hesitate to reach out and we will answer anything we can.

We are keeping a close eye on tomorrow's weather and are really hoping that the first snow day of the school year doesn't happen in October. As always, a Blackboard message will come out early if there is a school closing or a delayed opening.

Students are able to wear school-appropriate costumes tomorrow - nothing too scary, nothing with blood/gore/fake weapons, etc. We will provide a small snack - Fruit snacks and Rice Krispies treats - for all students.

We are making an adjustment to our recess protocols in regards to mask wearing. Students who are playing on any of the three playscapes or the net climber will be expected to wear their masks while on the equipment. Students who are sitting closely on a bench or picnic table have always been required to wear their mask. Students who are playing games/activities where they are running around on the playground will continue to not need to wear their mask.

Please remember to change your clocks this weekend. We hope everyone has a terrific Friday and a nice weekend.

Dan & Kim
