Good afternoon MES Families,

We hope that you're having a good week. We are also hoping that we see everyone at our regular school start time tomorrow morning.

A few things for you today:

*During afternoon pick-up, a reminder to not call your children over to your vehicle - even if you are right in front of the doors and you can see them and they can see you. We will always have a staff member bring your children to you during afternoon pick-up.

*AHM is planning a Drug Take Back event in Marlborough on National Take-Back Day - Saturday, April 24th from 10:00 a.m. - 2:00 p.m. The event will be held out in front of MES. There is an informational flier on the website - Fliers - Community.

*A reminder that there will be a Community Forum for anyone interested in taking part in the search for the next Marlborough Superintendent. Please see the information below if you are interested:

The Marlborough Board of Education will be hosting a virtual evening opportunity for community members to share their insight on the hiring of the school districts next Superintendent.

On Monday, March 22, Dr. Joseph Erardi, the search consultant working with the Marlborough Board of Education, will be facilitating a one-hour meeting dedicated to gathering community input for the superintendent's hiring committee.

The March 22 meeting will start at 7:00 p.m. with attendees logging into the meeting using the following link: <http://meet.google.com/ted-knuv-mgz>

Any resident needing additional information on the community conversation should contact Dr. Erardi at 571-480-0313

*A reminder that the Superintendent Search survey will run until Friday, April 2. The link to the survey follows:
