

MES Family Update - March 25, 2021

Good afternoon MES Families,

We hope that everyone is having a nice week and has had a chance to enjoy the warmer weather.

A few things for you today:

*There are a number of new Fliers on the website:

- Park & Rec - Art-Ventures Around the World
- Park & Rec - Skyhawks Multi-Sport Program
- Community - UConn Brain Camp (Students entering Grades 3 & 4 with reading difficulty)

*One of our former MES students is working with the Richmond Memorial Library on an Eagle Scout Project. Please see the information below:

- His project is to construct and install a Story Walk along the sidewalk at the Richmond Library - with 16 permanent displays to be completed by May 2nd
- A Story Walk is when a children's book is separated page-by-page, and each page is given its own display. These displays are then placed consecutively along a path, so that in order to read the story one must walk the path. It is designed to promote reading, exercise, and enjoying the outdoors.
- Part of Cameron's responsibility is to raise all the funds for his project (material, tools, supplies, etc.) and lead the troop of boy scouts and parents to do the job.
- Cameron created a "GoFundMe" page to help towards his goal. Here is the link: <https://gofund.me/15701e4b>

*Below you should find information on purchasing this year's yearbook:

Here is the direct link for your online sale 3/25 through 4/29.
