Welcome to the Marlborough PTO!

Members are parents, guardians and teachers all working together. Your involvement, however big or small, adds to our success. There are many ways to become involved. Feel free to contact any of the board members or committee chairs if you have any questions about any of our activities.

We would love for you to attend the PTO meetings this year. We make many important decisions at these meetings and your vote counts! The dates of the meetings are listed on the back of the brochure. With the commitment and help from all of our members, we will be able to sponsor and provide many enriching activities and programs. We are always open to new ideas and so we encourage you to become involved!
